2. Description of Service and Consent

Bank debit cardholders may send one-time Transfers to Bank customers or a depositor of another financial institution. Notice is given to the Recipient by the Sender providing the Recipient's email address or mobile phone number. You may originate these Transfers by use of a mobile smart phone. You may register for the Service which will make future Transfers more convenient for you. To use this Service, you are providing information to our Service Provider from your mobile phone. Service Provider is a vendor of Regional Missouri Bank.

By participating in the Service, you are representing to the Bank that you are the owner, or you have the authority to act on behalf of the owner of the mobile phone number or email address you are using to send or receive messages regarding Transfers. In addition, you are consenting to the receipt of emails or automated text messages from the Bank or its agent, regarding the Transfers and represent to the Bank that you have obtained the consent of the Recipients of your intended Transfers.

Funds may be transferred to any account in the United States as long as the Transfer is legal and allowed by the financial institutions involved. RMB PayBack is meant only for electronic payments to friends and family. You should know the person you are sending the funds to.

3. Eligibility

Individuals aged 15 years and older with a debit card issued by Bank are eligible to use this Service to send funds to a Recipient. Any individual age 15 years and older with an account in the United States that may receive POS or ACH transactions may use this Service to receive funds that are transferred by the Sender. The Service is not offered to individuals under the age of 15. Other restrictions and eligibility requirements apply as described in this Agreement or other disclosures. Please do not submit such information for anyone under the age of 15 to the Bank, and as a parent or legal guardian, please do not allow your children to submit personal information without your permission. By using the Site or the Service, you represent that you meet these requirements.

4. Transfers

You may make one-time Transfers by entering your debit card number and email address. The Sender provides the Recipient's email address or mobile phone number, and the Service uses this information to notify the Recipient. A Recipient must accept the Transfer within 10 days, or the Transfer will be cancelled and reversed. During this period, funds will be removed from the Sender's Account for the amount of the Transfer. Once the Recipient has successfully accepted the Transfer, funds will be sent to the Recipient's financial institutions for deposit to the Recipient's account. If the Sender and Recipient are both Regional Missouri Bank customers enrolled in the Service, Transfers will be immediately debited from the Sender's Account and reflected in the Recipient's Account. If the Sender and Recipient are both enrolled in the Service but are customers of different financial institutions, Transfers will be immediately debited from the Sender's Account and will be delivered to the Recipient's financial institution once claimed. Regional Missouri Bank is not responsible for any failure of another financial institution to timely credit its customer's account.

You acknowledge and agree that Transfers will be completed using only the email address or mobile phone number you enter even if it identifies a person different from your intended Recipient. The name you enter will help you identify your

intended Recipient in the drop-down menu and your transaction history but will not be used to process payments. You must accurately enter the Recipient's email address or mobile phone number since your obligation to pay for the Transfer will not be excused by an error in the information you enter.

Transfer Instructions relating to external accounts and the transmission and issuance of data related to such Transfer Instructions shall be received pursuant to the terms of this Agreement, and the rules of the National Automated Clearing House Association ("NACHA") and the applicable automated clearing house, as well as any EFT Network, or networks, utilized to automate the transfer of funds and governed by Regulation E, (collectively, the "Rules"). The parties agree to be bound by such Rules as in effect from time to time. In accordance with such Rules, any credit to an Account shall be provisional until the Bank or the third-party institution, which holds the account, has finally settled such credit.

It is the responsibility of the Sender and Recipient of funds to provide accurate information. You agree that you as Sender are authorized to withdraw or as Recipient are authorized to deposit funds into the Accounts whose numbers you provide or into the Accounts associated with the card number you are providing. You authorize the Regional Missouri Bank, directly or through third parties, to make any inquiries considered necessary to validate your identity. This may include asking you for further information, requiring you to take steps to confirm ownership of your email address or financial instruments, ordering a credit report and verifying your information against third party databases or through other sources.

You authorize the Regional Missouri Bank to debit your account to complete the Transfer you request. If you are receiving funds, you authorize the crediting of your account using card networks or NACHA

5. Sender Acknowledgment

By using this Service, you, as the Sender, authorize the sending of an email or text message instructing the Recipient how to receive the funds that you are sending. You are further authorizing any Recipient of this message to act on the instructions to receive the funds you are sending. You acknowledge that any party receiving the email message at the email address you provide or text message at the mobile phone number you provide may obtain the funds you are sending.

You acknowledge and agree that we are not responsible for determining the identity of the party who receives the email or text message and acts upon the email or text message you provide. Your funds may not reach the intended Recipient because of errors made by the Sender or Recipient and you could lose all the funds. The funds that are credited to the account cannot be recalled by us. If you suspect that you have entered information incorrectly, call us immediately and we may be able to cancel the Transfer. We have no obligation to cancel the Transfer or to reimburse funds that were transferred according to the Sender's instructions. Furthermore, we may reject

any Transfer request and may terminate your use of this Service for any reason including attempting insufficient funded Transfers.

6. Recipient Acknowledgment

By using this Service, you as the Recipient are confirming that you are the person to whom the Sender intends to transfer funds. As the Recipient, you will be asked to provide your debit card information that will be used to transfer funds to your Account. If you choose not to provide your debit card information or your institution does not participate, you will be asked to provide account information including account number and routing information for your financial institution. In this case the funds will be transferred through the Automated Clearing House.

It is important that you enter accurate information. You agree that Regional Missouri Bank, the receiving financial institution, and our Service Provider may rely solely on the instructions you provide. If you enter inaccurate cardholder or account number information the funds may be deposited into another person's account. You acknowledge that the financial institution may make the deposit based on the account number or card number you provide even if those numbers do not correlate to the name that you provide. Retrieval of these funds will be the Recipient's responsibility to work with the financial institution to which the funds were sent. You may lose all the funds that were transferred. The funds that are credited to the account cannot be recalled by us.

If you suspect that you have entered information incorrectly or that you have received funds in error, call us immediately and we may attempt to cancel the transaction. We have no obligation to cancel the Transfer or to reimburse funds that were transferred according to the Recipient's instructions.

By using this Service, you agree that you are the intended recipient of the email or text message and that you are the intended recipient of the funds. If you are not the person to whom the funds are intended, then you agree to take no further action. You understand that it is a federal felony to use another person's identification with the intent to commit unlawful activity. You represent that the information you are providing is your true and correct information. If any information you provide is fraudulent, Regional Missouri Bank reserves the right to recover all costs or losses from you, regardless of whether such costs or losses are incurred directly or indirectly.

7. Fees and Limitations on Transfers

You may transfer up to your available daily debit card limit with a maximum daily limit of \$3,000.. Regional Missouri Bank may establish a limit on the number of Transfers and on the total dollar amount of Transfers that can be attempted or completed in one day. You may send multiple Transfers each day; a separate fee may

be charged for each Transfer you send. We may modify the amount and frequency of Transfers at any time for security reasons or due to account activity.

Funds may be transferred from the account from which the debit card is authorized to transfer funds. Such transfers may overdraw your account and may result in a transfer from another account to cover the overdraft. In any of these situations, an overdraft fee or transfer fee will be charged, as applicable. You may be denied service for insufficient funds in your account. You will be responsible for any other transaction fees that apply to your Account.

Please note that your mobile carrier may charge you for text messaging. Please check your mobile service agreement for details on applicable fees. The receiving institution may have limits on the number and type of Transfers allowed. Your financial institution may also charge a transaction fee.

8. Timing of Transfers

Transfers to remove the funds from the Sender's Account may take place immediately. However, the timing of funds received will depend on when the Recipient responds to the email and when their financial institution posts the Transfer. The posting of the Transfer is dependent on the business days of that institution.

9. Issues Affecting the Posting of Transfers

You authorize us to debit your account to complete the Transfer you request. If you are receiving funds, you authorize Regional Missouri Bank to credit your Account using card networks/switches or NACHA.

Other events may affect the timing or success of a Transfer reaching the intended Recipient. Such events may include, but are not limited to, errors made by the Sender or Recipient in entering information, inaccurate account or card number information, delays in posting by the receiving institution, acts of God, and network and NACHA interruptions. If we believe the Transfer may be illegal, we may decline or reverse the Transfer. The receiving institution may choose not to post the Transfer or to delay posting the Transfer. Neither Regional Missouri Bank nor the Service Provider is responsible for any delays in the Transfer of funds or the posting of funds to the Recipient's Account. You may have certain rights and responsibilities regarding the failure to timely post transactions and you are encouraged to pursue dispute resolution with the receiving financial institution.

Financial institutions have rules and regulations that govern their accounts. Some of these regulations may not allow a POS or ACH transfer of funds. You are responsible for ensuring that these types of Transfers are allowed for the Account that you specify. For example, an IRA may not allow electronic transfers directly into the Account. We

are not responsible for any action or lack of action taken by the financial institution that delays, inhibits, or prevents the posting of the Transfer to the Account.

10. Security

The Sender and Recipient of funds may choose to register for this Service to simplify their future use of the Service. They will be asked to create a username and password and you are responsible for keeping them secure. We will not ask you for your password.

If the financial institution contacts us or our Service Provider for information regarding your Account, you authorize us to discuss the Transfer and the account information you have provided.
